

As property owners, business owners, and residents, our voices and votes have been intentionally excluded from the approval process, and we have not had meaningful input on this new special taxing district. We do not support the city secretly saddling us with additional, arbitrary taxes to create a slush fund for downtown Indianapolis. **We ask that you sign this petition to show our lawmakers our strong opposition to this new unlimited tax.**

SAY
NO!

to Downtown Indianapolis Mile Square EED unlimited tax.

I work, live or own property in the Mile Square
