Part X - FIN 48 Footnote

The Foundation recognizes a tax position as a benefit only if it is more-likely-than-not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the tax position's technical merits. At December 31, 2020 the Foundation did not recognize a benefit from any uncertain tax position. It is difficult to predict the final timing and resolution of any particular uncertain tax position. Based on the Foundation's assessment of many factors, including past experience and complex judgments about future events, the Foundation does not currently anticipate any significant changes in its uncertain tax positions over the next twelve months.
