# 2023 Golf Event Sponsorship Opportunities

*The Children's TherAplay Foundation, Inc. is a non-profit outpatient pediatric clinic providing physical, occupational, and speech therapy for children with disabilities and/or unique needs. Therapists use the movement of a horse as a tool during a therapy session for individualized skill development.*

*"I saw the benefits of how much riding the horse tapped into Luke's (pictured above) ability to grow in the clinic session. I was craving therapy that felt more like play for him, and **TherAplay has been a great place for him to work on his developmental skills in a fun setting.**"*

*-Erin, Luke's Mom*
