# 2024 Hoe-Down Sponsorship Opportunities

The Children's TherAplay Foundation, Inc. is a non-profit outpatient pediatric clinic providing physical, occupational, and speech therapy for children with disabilities and/or unique needs. Therapists use the movement of a horse as a tool during a therapy session for individualized skill development.

"Ollie's favorite words are horse and farm, and I believe 100% it's because of [Children's TherAplay]. It's been amazing for him, for us, for the community."  
-Sasha, Ollie's Mom
