VOLUNTEER OPPORTUNITIES

SIDEWALKING

Our biggest daily need. Walk alongside the horse during a therapy session, holding onto the kiddo to stabilize and ensure client safety.

SPECIAL EVENTS

Serve as an area lead, serve on a committee or volunteer to set-up, tear-down, or run a station during any of our signature fundraising events.

BARN SUPPORT

Weekend shifts - help care for the herd! 8 am-noon on Saturdays and Sundays with very flexible scheduling.

Weekday shifts - help groom or pick stalls any time between 8am - noon! We ask for a weekly commitment for this opportunity.

TAAG*

Help run our Therapeutic Animal Assisted Groundwork! These sessions allow kids to work on therapy goals off the horse by practicing grooming, leading, and other skills. *Horse experience needed

EVERYONE IS WELCOME!
