

# WIRELESS SHOPPER CALL BUTTON

## QUICK ASSIST®

- ▶ Prevent merchandise loss.
- ▶ Increase customer satisfaction.
- ▶ Boost employee productivity.

The Quick Assist® Wireless Shopper Call Button connects directly with existing in-store portable radios and provides clear, customized pre-recorded messages to associates.

With the Quick Assist, customers simply push a button when they need assistance. Your two-way radio equipped personnel are immediately alerted with a clear, customized voice message so that they can provide prompt face-to-face customer service.

- ▶ Works with existing analog 2-way radios.
- ▶ Transmits clear, customized pre-recorded messages to associates.
- ▶ Designed and Made in the USA.
