American Wire Kaddy

AWK-2B

The AWK-2B is made specifically for 100 ft. of AC/BX or 250 ft. of non metallic wire. Wire dispenses from the center of the plastic spool for ease in dispensing. Holes in the side of the spool show how much material is left. Easy to load

- 7/8" diameter yellow zinc steel tube axle
- Powder coated steel frame
- Overall dimensions: 8" x 20" x 28" Tall
- 2 Thumb screws hold spool together

Tomlinson Manufacturing Company, Inc. guarantees all of its products to be free of defects. If you are not satisfied with your purchase, contact us and we will ask that you return the product for replacement or a full refund.
