SAFETY DEVICES

Pin Pullers

TS47-257

The ergonomically correct handle is designed for safety with ease and effectiveness in 5th wheel release. No more reaching under the trailer!

Additional uses include pallet hooks, grate pullers, freight pullers, etc.

.375 diameter powder coated steel construction.

Standard pin pullers include your choice of:

- Red or black color
- 180 degree or 45 degree end
- 32.5" in overall length
- Welded handle (No pinch point)

Options for pin puller include:

- Additional colors (as shown)
- Different "end" per customer specs (angle)
- Overall length

Additional charge may apply

;

Dimensions:

.375 diameter wire x 32.5" long
