# HSM Series Heated Shelf Merchandiser

Featuring exclusive Halo Heat\* fanless technology, Alto-Shaam heated shelf merchandisers provide precise, even heating for the highest quality food and lowest cost of ownership.

The HSM holds a variety of grab-and-go products, including rotisserie chickens, pizza, sandwiches, and more. Improve store profits with hot, ready-to-eat meals. Convenient, fresh meals are displayed in an aesthetically pleasing, customizable merchandiser.

**Experience better quality food** with gentle, even and precise Halo Heat<sup>®</sup> fanless technology to keep food from drying out.

**Flexibility to control individual shelf temperatures** allows you to hold a variety of products at the proper temperature.

**Boost impulse sales** with LED-lighted shelves, backlit interchangeable graphics, and pricing rails.

**Simple operation and easy cleaning** keeps delis and grab-and-go areas operating smoothly.

**Lowest cost of ownership** on the market – cost savings of 50% compared to traditional models.

Made in the USA with a commitment to quality. Alto-Shaam is ISO 9001:2015-certified.

#### **Standard Features**

- Adjustable thermostat with a heat-on indicator light
- Latched access panel on the front of the merchandiser
- Four (4) 3" (76mm) casters

HSM-24/5S
